2011 Post Graduation Survey of Undergraduate Alumni Fact Sheet

Data is from a survey of December 2010, May 2011, and July 2011 graduates of St. Thomas undergraduate programs one year after graduation and published April 2012. The survey was sent out to 1,240 alumni, of these, 570 (45.97%) responded.

**Employment Status**

Percentages are of those who responded to this question.

- Employed Full-Time ........................................ 359..... 63.43%
- Employed Part-Time ......................................... 100..... 17.67%
- Volunteer Service (e.g. Peace Corps, AmeriCorps) .... 10..... 1.77%
- Military Service ............................................. 11..... 1.94%
- Not employed, currently seeking employment .......... 47..... 8.30%
- Not employed, not seeking employment .................. 39..... 6.89%

Total Responding .............................................. 566

35 of the 39 graduates not seeking employment are currently enrolled in a post-graduate educational program. 9 of the 47 graduates still seeking employment are in a graduate program. In total, 100 graduates are currently enrolled in a graduate program.

**Timeframe Employment Was Secured**

Percentages are of those who responded to this question and marked their employment status as Full-Time, Part-Time, Volunteer, or Military.

- More than 4 months before graduation ................. 95 ..... 20.93%
- 1-4 months before graduation ............................... 87 ..... 19.16%
- Within a month of graduation (before or after) ...... 72 ..... 15.86%
- 1-4 months after graduation ................................. 139 ..... 30.62%
- 5-8 months after graduation ................................. 52 ..... 11.45%
- More than 8 months after graduation ..................... 9 ..... 1.98%

Total Responding .............................................. 454

**Salary Ranges**

Percentages are of those who responded to this question and marked their employment status as Full-Time, Part-Time, Volunteer, or Military.

- $20,000 or under ............................................. 118 ..... 25.32%
- $20,001-$25,000 ............................................. 37 ..... 7.94%
- $25,001-$30,000 ............................................. 37 ..... 7.94%
- $30,001-$35,000 ............................................. 56 ..... 12.02%
- $35,001-$40,000 ............................................. 61 ..... 13.09%
- $40,001-$45,000 ............................................. 35 ..... 7.51%
- $45,001-$50,000 ............................................. 39 ..... 8.37%
- $50,001-$55,000 ............................................. 46 ..... 9.87%
- $55,001-$60,000 ............................................. 25 ..... 5.36%
- $60,001-$65,000 ............................................. 7 ..... 1.50%
- $65,001-$70,000 ............................................. 3 ..... 0.64%

Above $70,001 ....................................................... 2 ..... 0.43%

Total Responding .............................................. 466

Overall, the median salary range was $30,001-$35,000

**Had an Internship While at St. Thomas**

Percentages of those who responded to this question.

- Did have an internship ....................................... 311 ..... 64.46%
- Did not have an internship ................................... 240 ..... 43.56%

Total Responding .............................................. 551

</table>
Median salaries are reported by department instead of major to provide increased statistical significance. To protect confidentiality, departments with less than three salary responses cannot be reported alone, therefore we made the following modification to the method for salary calculations: *For Physics we included last year’s data to come up with more than three responses.
